**Summary: This is an Augmented Notice of an Ex Parte Communication that was filed on 9/21/00 and appeared in the Calendar of 9/28/00.**

On September 19, 2000, Nelsonya Causby, for Pacific Bell Telephone Company ("Pacific"), sent a letter (attached to the notice) to Cmmr. Lynch. Copies of the letter were also sent to Cmmr. Neep, Cmmr. Bilas, Cmmr. Wood, and Cmmr. Duque. The letter is a response to the letter dated 8-28-2000, sent by John Clark of Goodin, MacBride, Squeri, Ritchie and Day, LLP, on behalf of the Association of Communications Enterprises ("ASCENT") and the California Association of Competitive Telecommunications Companies ("CALTEL") regarding Pacific's Accessible Letter EA00-007. In its letter, Pacific explains that the issues raised by ASCENT/CALTEL are not relevant to the 271 proceeding. Pacific also stated that toll competition is thriving in California and was not adversely affected by the actions described in the accessible letter. Pacific also clarifies that although some carriers were blocked from using online access to Pacific's CESAR EARS system for part of August, full access has been restored and charges for such access have been suspended, and, during the period online access was blocked, other means of changing PICs remained available to interexchange carriers.

Koss, Director of Rail Safety and Carrier Division. Flenniken argued that the cessation of service will cause irreparable harm to the riders of the ferry and that the overall enterprise was not losing money; only the Richmond segment is presently unprofitable.
